General Details

- It is recommended to arrive 15 minutes early to turn heat on during the colder months. The extra 15 minutes is complimentary!
- It is recommended to bring your own AUX or USB cord for a back up (just in case!).
- Please put away equipment and tidy up prior to finishing your time block in consideration of other users and SDC's instructors.
- Please ensure all sound systems, lights, fans and heat is turned off prior to leaving the facility if there is not a user schedule right after your time block.

Scheduling Details

- Please book your time online through our website. Your time block is not considered complete until approved by SDC management. We will send out a confirmation email with payment details once time block is approved.
- Please complete Rental payment prior to or upon your scheduled time block.
- There will be a fee charged for any damaged equipment/property.
- Refunds are applicable to facility rental cancellation.
